Dear National Alumnae,

Our Sorority will meet in San Diego, CA this October for our 16<sup>th</sup> Annual National Convention. We are busy preparing a fantastic weekend for you and your family, and promise to make it a convention unlike one you've ever attended. I hope that our National Alumnae Association can be well-represented in San Diego, so clear your calendars now. Please look for registration packets coming soon!

The NAA will have its very first induction ceremony at convention, and I am writing specifically to encourage you to pay your dues before October 1<sup>st</sup> so that you may be inducted with the inaugural class. Only members who have paid their NAA membership dues in entirety will be inducted.

We realize that the current state of our economy has put a strain on many of our members' finances. With that in mind, we have two budget-friendly opportunities to help you join the National Alumnae Association.

**Lifetime Membership Convention-Special Discount Extended**

Last year we offered NAA Lifetime memberships at a 50% discount for \$500. We are extending this offer through January 1, 2010, which means you have until then to pay your dues. However, if you wish to be inducted at convention in San Diego, your dues must be paid by October 1<sup>st</sup>.

**Transfer your Membership to a Different Package**

Many of you originally signed up for a Lifetime Membership Package, and most still have outstanding balances. If you believe that a Lifetime membership is not in your budget at this time, I encourage you to consider purchasing a One- or Three-Year Membership Package at a lesser rate. You still earn distinct privileges awarded only to NAA members, and may also get inducted into the NAA at convention in San Diego at a lesser cost. When the time is right, you may want to reconsider purchasing a Lifetime Membership Package (though this 50% discount will never be offered again!).

To view more information about NAA membership packages, please visit this link: <http://about.naa.gammaalphaomega.com>. Otherwise, please contact me directly if you have any questions or concerns. You may also contact our VP of Finance at [finance@gammaalphaomega.com](mailto:finance@gammaalphaomega.com) to continue making payment arrangements.

I hope to see you in San Diego!

MGLA,

Eva Navarajo
